Dedication

Your untiring guidance and assistance as our class sponsor for the past four years has helped us, the Class of 1966, to accept responsibility as we prepare to face the future. During your twelve years of teaching at Fisher High School, you have earned the respect and admiration of many students. With appreciation, we dedicate the 1966 ECHO to you, MRS. MARJORIE ORR.

ADMINISTRATION

Mr. Locke goes over the bus route with his secretary, Vivian Ingold.

CONGRATULATIONS

We congratulate the members of the Class of 1966 for successfully completing your high school work. We trust that you have found your school work and activities both challenging and enjoyable.

Many of you will want to extend your education to include either two or four years of college work. The Junior College will provide many opportunities to learn, for both those seeking technical vocation or for those who wish to continue their academic pursuits. Other students will find employment shortly after graduation. In both cases you will learn much, if you apply yourself.

Best wishes for a life of usefulness and happiness.

Mr. Foster and Mrs. Shaw Lend a Helping Hand

TO THE SENIORS

Each year it is my feeling that the qualities of our present senior class members surpass those of the classes of previous years. Your class is no exception to the rule. You have qualities of leadership and of "followership" not found in the average class. Your good influence on the attitudes and the values of the student body as a group approach to problems has led to wise solutions, and your individual influence in the various clubs and organizations will be sorely missed by those of us who remain.

Who is to say what the future holds for you as a maturing individual in a society that is rapidly changing because of our increasing population and our advancing technology? I certainly dare not even venture a guess, but it is my hope that you establish and live by a set of values that will permit you to live a full and happy life.

Congratulations upon your attainments to this, the year 1966, and may this be only the beginning.

Juniors Have a Successful Year

Winning first place on their Homecoming float began an exciting year for the class of '67. Magazine sales, which netted \$1400, and folding advertisements for the M & W Gear Company enabled the juniors to build up their treasury. The class held a gym party and hop in November. They won the March of Dimes contest sponsored by the Angler Staff. The Junior Class play, entitled "The Man Who Came To Dinner", highlighted the month of April for the juniors. May 6 was the Junior-Senior Prom which completed the activities of the class for the year 1965-66.

The juniors are first in contributions for the March of Dimes.

AFS Brings Student from Chile

The AFS started the year by holding a welcome tea for the new foreign exchange student from Chile, Ana María Luengo Pérez. The AFS learned much about Chile from Annie, and about England from her American "sister", Candace Hoffmann. Candace was sent to England during the summer of 1965. To earn money, the AFS sponsored the candy sales, Ana Maria Day, and a very successful International Dinner. A farewell picnic for Annie was held at Greenwood Acres to conclude a busy year.

The Hoffmanns, Marion, Helen, Jean, Barbara, Candace, and Keith, welcome Ana María in to their family.

Fisher Captures Second in County

Fisher High's basketball team compiled a 9-14 record for the 1965-66 season under new head coach Jack Webber. The Bunnies got off to a slow start, but played respectable ball during the latter part of the season. The highlight of the year came in the Champaign County Tournament. As the underdogs, the Bunnies pulled upset wins over Unity and Uni High, but lost to Mahomet in the championship game. Leading the Bunnies was senior Lonnie Meuser. The 6' 2" center poured in 301 points for a 13.7 average and also topped the club in rebounding. He was named the team's most valuable player at the athletic banquet. Also honored was senior Darrel Shields. Shields, a regular for two seasons, was elected honorary captain and also received the free throw trophy.

THIRD ROW: Tom White, Joe Glazebrook, Alan Tuttoilmondo, Bob Maxwell, Bill Billiard, Bob Rebella, Dave Massanari, Dave Watterson, Ernie Kandel.

Wrestlers Have Successful First Year

Fisher High School's first wrestling squad proved to be a very successful one, as Coach Pete Hatfield's matmen won four of their six meets. With ten of the twelve letterman underclassmen, the wrestling future appears to be very fruitful for coming years. Top performers on the team were Jim Cook, Bob Zehr, and Stan Cook. All three had 5-1 records, while Steve Martin followed with a 4-1 mark.

The Fisher High track squad enjoyed only a mediocre campaign. The Bunnies captured firsts in two of the season's first four meets, but failed to display much in the final three. The firsts were won in a dual meet with Farmer City and a triangular with Uni High of Urbana and Mansfield.

1965 Homecoming

"Harvest Time" was the theme chosen to highlight the floats and 1965 Homecoming. The traditional parade from the grade school through main street to the athletic field was held at 6:30 p.m. on October 21. The color guard, the high school band, floats, and queen candidates were all featured in the parade. As the parade approached the athletic field, cheers could be heard from the football team, riding on

As the band struck up "Washington and Lee Swing", the students, faculty, and alumni of Fisher High began to sing the school loyalty song.
